It is not possible to determine the exact date of the first appearance of the word "responsibility" in English. The word is derived from the Latin word "responsibilis", which means "able to answer" or "liable". The word "responsibility" first appeared in English in the 16th century, in the sense of "the state of being answerable for one's actions". The word "responsibility" has since become a common word in English, and is used in a wide variety of contexts, including law, ethics, and everyday life. The word "responsibility" is often used to describe the state of being answerable for one's actions, and is often used in the context of law and ethics. The word "responsibility" is also used to describe the state of being answerable for one's actions, and is often used in the context of law and ethics. The word "responsibility" is also used to describe the state of being answerable for one's actions, and is often used in the context of law and ethics.
